## Message from the President

Dear ASHA Members:

First and foremost, a big thank you to the Nominating Committee (Heinz Naef, Karla Stoner, Kathy Whitaker, Dawn Wikel and Nanette Osterhoudt) for all their hard work in the most recent election. These members are great examples of the volunteers who make our organization function.

Next, thanks and a hat tip to all of the candidates who participated. To our new board members, Kim Murchison, Paul Tyrrell, and Danelle Kinney (and of course Janet Cohen on her re-election) welcome to the board. We look forward to your help moving forward through this next term.

To those who also threw their hat into the ring but were not elected, a big thank you as well. One of the most gratifying aspects of this last election was the large number of candidates who were willing to make the commitment to stand for election. This bodes nothing but good for our organization in the future.

Although we continue to face challenges we also should be very proud of the fact that we are continuing to make progress toward our goals. For example, we are well on our way of raising the start up costs for the Shire Horse Foundation that Heinz Naef has graciously agreed to help spearhead. We have made a conscious decision in creating this foundation to solicit numerous contributions from as many of our members as possible. This way we can assure all that they have a stake in the creation and the implementation of the Foundation. We also believe that it will show potential larger donors that the Foundation is broadly supported and not beholden to any one person or group's agenda. That will be key, we believe to eventually grow the Foundation into the benefit to the Shire horse that we all envision.

Some of you have already contributed. Many of you perhaps think, "I am not well off, what could I do to help a foundation begin." We need each of you to (the goal is 100 more members) send \$25 to Heinz Naef for this project. We know that these are difficult financial times for all of us but \$25 would hopefully be something which would be affordable and allow each of the those contributors to be designated as founding members of the Shire Horse Foundation. That would certainly be something you could be proud of.

If we all contribute a little and work together we can accomplish great things.

Whatever your plans are for this next year, be sure to enjoy your Shire every day.

Best of luck and smooth plowing in the year ahead. Thank you so much for all of your support and effort on behalf of the American Shire Horse Association.

Sincerely yours,

Dan Hubbell  
President, American Shire Horse Association

### VOLUNTEERS NEEDED FOR COMMITTEES

**The Breed Promotion Committee** is in need of a new chair or co-chairs. Katy Miller and Jack Taylor have had to resign due to the time demands of their day jobs. If no one can be found to take over this committee, it will become essentially inactive, with only the basics done for a few trade shows and similar events, and baseline assistance to members who would like to do a promotional event.

**The Merchandise Committee** is in need of a new chair or co-chairs. This committee is only minimally active due to lack of member(s) willing to help.

**If anyone is interested in volunteering for these committees, or any other committee, please contact a board member for more information.**

**Easier Access to Meeting Minutes**

In the ongoing effort to improve communications between the board and members, a separate page has been set up on the members section of the website for posting minutes of meetings. To access this area, log in to the Members Only section of the website and click on 'Meeting Minutes' in the menu. You can then click on the minutes you are interested in reading. When new meeting minutes are posted, a notice will be sent through the ASHA News portion of the message board.

## **Equine Affaire, Springfield, MA November 13-16, 2008**

**Breed Stall and Demo:** Gene and Vicky McCaffrey, Janet Cohen and Joyce and Dan Cornelius rotated horses in the breed stall throughout the show. As usual, the crowds around the stall to see the Shires were large.

The breed demo was in front of full stands and went very well, according to participants and spectators. Shires were shown in hand, ridden and driven. In addition to the McCaffrey's, Janet Cohen and Joyce and Dan Cornelius, Ayrshire Farm (Paul Tyrell) showed a pair hitched to a brewery dray. A second, shorter breed demo was held the same day in the youth pavilion. We hope to have some pictures available in the future.

Shires were also represented in the Fantasia performances all three evening in a presentation entitled 'Flying Feathers'. Janet Cohen drove Glenmary Hudson in a cart, Paul Tyrrell drove a unicorn of gray Ayrshire Shires to a restored roof seat break and a team of Freisans combined to make an excellent driving performance.

**ASHA Booth:** Despite rain for much of the show, attendance was good. A large number of brochures and magazines were given out and numerous questions about Shires answered. Information on Shires was also given out to several children and teachers for their equine studies classes or pony club projects. Vicky signed up two new memberships at the show and others who expressed some interest in joining were directed to the website.

**Merchandise Sales:** Sales income was slightly better than last year at \$2,169.10. Profits from these sales, combined with breed stall fees paid by participants, exceeded expenses this year. Therefore, with time and travel expenses donated by members, there was \$187.48 profit for this show.

**Very Special Thanks** go to Joyce Cornelius for her generous donation of her time in locating and purchasing new merchandise embroidered with a Shire horse and her donation of \$200 toward the expense of the merchandise. Additionally, her valuable help with ideas for arranging the booth and displaying merchandise were significant in improving sales. She has also donated an original, painting of a Shire that we hope to be able to raffle off at a future Equine Affaire as a fund raiser for the association.

Many more thanks go to Vicky McCaffrey, Eliza Matlock, Ahndreahna Prewitt, Sarah Cournoyer and Joyce Cornelius and her crew, for help in running the booth over the 4 days of the show, especially considering that they had horses there as well.

ASHA greatly appreciates the efforts of these members.

Karla Stoner

### **PLEASE NOTE: THERE WILL NOT BE AN EDUCATION DAY AT THE ANNUAL MEETING THIS YEAR.**

Due to lack of an active Education Committee and generally low attendance, the Board voted in 2008, not to schedule these events at future annual meetings unless they were organized by members local to the meeting site and the budget could stand the expense. After the Dallas – Fort Worth area was selected for the 2009 meeting, Katy Miller generously responded to the board's request for local members interested in organizing something, but due to circumstances beyond her control, the event she proposed will not be able to take place.

The board extends its sincere thanks to Katy for volunteering her time and effort on this project.

## WOULD YOU LIKE TO RECEIVE YOUR BULLETIN BY E-MAIL?

Due to continuing problems with USPS bulk mail delivery, the board voted at the teleconference on July 12th to begin routinely sending the quarterly members' bulletin by first class mail and to look into E-mail delivery of the bulletin (and possibly additional information in the future) for those who would prefer the electronic method. According to the Association by laws, in order to set up electronic delivery of information from the association to the members, members must request this method of communication.

If you would prefer to receive your quarterly bulletin electronically, send an E-mail to Karla Stoner at [bloomforge@peoplepc.com](mailto:bloomforge@peoplepc.com) requesting this option. Once we have names of those who would prefer the electronic method, an address list will be set up and mailings will be initiated. The main advantage of this method will be quicker delivery of the bulletin. Members requesting electronic delivery will have to maintain current E-mail addresses with the Association to insure continued delivery.

Members preferring to receive their bulletins through the regular mail will continue to do so.

*NOTE: this is for the members' bulletin only, not the magazine.*

## PROBLEM RESOLUTION GUIDELINES

Do you have a problem with the Association? If so, here are the guidelines to be followed for resolving the problem.

1. Ask yourself if it is an Association problem. If so, talk directly to the party with whom you have a problem e.g., committee member, secretary, board member, President, etc.
2. If you do not get satisfaction, put your complaint in writing to the party concerned. (Verify delivery.) The party receiving the complaint should respond to you in writing within 14 days of receipt.
3. If you are not satisfied with this response, submit a written complaint to a board member of your choosing in a timely manner. (Verify delivery.) The board member shall notify the President (or Vice President if the complaint involves the President) that he/she is working on a problem. The board member shall interview all parties concerned in an attempt to mediate the dispute and then give each party involved a written recommendation in a timely manner.
4. If you are not satisfied after step 3, submit a written complaint to be addressed by the full Board. The Board decision will be final and so recorded.
